What data do we collect?

ecoserve collects the following data:

- Personal identification information (email address)

How do we collect your data?

You directly provide ecoserve with your data. We collect data and store data when you:

- Register online for an ecoserve account.

How will we use your data?

ecoserve collects your data so that we can:

- Verify your account on creation
- Manage your account in the case of a forgotten password

How do we store your data?

ecoserve securely stores your data in an Amazon datacenter, and encrypts your data both in-transit and at-rest.

What are your data protection rights?

We would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

The right to erasure - You have the right to request that ecoserve erases your personal data.

The right to data portability - You have the right to request that ecoserve transfers the data that we have collected to another organization, or directly to you.
